

**ECUMENISM: REPORT TO ST. ANNE'S AGM 2011**

No meetings of the Saskatoon North-End Interchurch Group have taken place in the last year since February 2010 when it was decided to suspend further meetings due to poor attendance. Several participating churches are experiencing changes in church leadership at this time. Margot Taylor remains the Ecumenical Contact for our parish. She will continue to promote upcoming ecumenical events and to encourage greater ecumenical co-operation in our parish and community.
